Accountant's Compilation Report

To the Board of Directors
Arizona Independent Scheduling
Administrator Association
Phoenix, AZ

Management is responsible for the accompanying financial statements of Arizona Independent Scheduling Administrator Association (a nonprofit association), which comprise the statement of position - modified cash basis as of March 31, 2022 and the related statement of activity, actual & budget, modified cash basis for the quarter then ended in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. I have performed the compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The accompanying supplementary budget information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplementary information was not subject to our compilation engagement. I do not express an opinion, a conclusion, nor provide any assurance on such information.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared in accordance with the modified cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's assets, liabilities, equity, income, and expenses. Accordingly, the financial statements are not designed for those who are not informed about such matters.

I am not independent with respect to Arizona Independent Scheduling Administrator Association.
